Note: 2020 fees have been adjusted per Ordinance 12-1209-96, Section 4 - Annual Fee Indexing: Fixed amount fees established by this ordinance shall be adjusted annually on the first business day of January (Adjusted Date) by the amount of the increase in the Consumer Price Index (CPIW). The CPIW is the Consumer Price Index - US City Average for All Urban Wage Earners and Clerical Workers, published by the Bureau of Labor Statistics for the United States Department of Labor. Increases will be rounded to the nearest dollar. A fee shall not be reduced by reason of such calculation. However, fee increases in accordance with this calculation shall not exceed 5 percent per year.
